No employee, contractor or agent of the Mathews County School Board may assist a school board employee, contractor or agent in obtaining a new job, apart from the routine transmission of administrative and personnel files, if the employee, contractor or agent knows, or has probable cause to believe, that such school employee, contractor or agent engaged in sexual misconduct regarding a minor or student in violation of law. This prohibition does not apply if the information giving rise to probable cause

1. A. has been properly reported to a law enforcement agency with jurisdiction over the alleged misconduct and
 - B. has been properly reported to any other authorities as required by federal or state law, including title IX of the Education Amendments of 1972 (20 U.S.C. § 1681 et seq.) and the regulations implementing it and
2. A. the matter has been officially closed or the prosecutor or police with jurisdiction over the alleged misconduct has investigated the allegations and notified school officials that there is insufficient information to establish probable cause that the school employee, contractor or agent engaged in sexual misconduct regarding a minor in violation of law;
 - B. the school employee, contractor or agent has been charged with, and acquitted or otherwise exonerated of the alleged misconduct; or
 - C. the case or investigation remains open and there have been no charges filed against, or indictment of, the school employee, contractor or agent within 4 years of the date on which the information was reported to a law enforcement agency.

STAFF TIME SCHEDULES

Work Schedules

The workday for full-time licensed and professional staff is a minimum of seven hours and thirty minutes and continues until professional responsibilities to the student and school are completed. Elementary school teachers are provided at least an average of thirty minutes per day during the students' school week as planning time. Administrative meetings, curriculum development, pupil supervision, assigned duties, parent conferences, group or individual planning and extra-curricular activities may require hours beyond the stated minimum. Work schedules for other employees are defined by the superintendent or superintendent's designee consistent with the Fair Labor Standards Act and the provisions of this policy.

Workweek Defined

Working hours for all employees not exempted under the Fair Labor Standards Act, including secretaries, bus drivers, cafeteria, janitorial and maintenance personnel conform to federal and state regulations. The superintendent ensures that job positions are classified as exempt or non-exempt and that employees are made aware of such classifications. Supervisors make every effort to avoid circumstances which require non-exempt employees to work more than 40 hours each week. For purposes of compliance with the Fair Labor Standards Act, the workweek for school district employees will be 12:00 a.m. Saturday until 11:59 p.m. Friday.

Overtime and Compensatory Time

The Mathews County School Board discourages overtime work by non-exempt employees. A non-exempt employee will not work overtime without the express approval of the employee's supervisor. All overtime work must be expressly approved in writing by the superintendent or superintendent's designee. All supervisory personnel must monitor overtime on a weekly basis and report such time to the superintendent or superintendent's designee. Principals and supervisors monitor employees' work, ensure that overtime provisions of this policy and the Fair Labor Standards Act are followed and ensure that all employees are compensated for any overtime worked. Principals or supervisors may need to adjust daily schedules to prevent non-exempt employees from working more than 40 hours in a workweek. Accurate and complete time sheets of actual hours worked during the workweek must be signed by each employee and submitted to the finance officer. The finance officer reviews work records of employees on a regular basis to make an assessment of overtime use.

In lieu of overtime compensation, non-exempt employees may receive compensatory time off at a rate of not less than one and one-half (1.5) hours for each one hour of overtime worked, if such compensatory time

- (1) is pursuant to an agreement between the employer and employee reached before overtime work is performed, and
- (2) is authorized by the immediate supervisor.

Employees will be allowed to use compensatory time within a reasonable period after requesting such use if the requested use of the compensatory time does not unduly disrupt the operation of the school division. Employees may accrue a maximum of 240 compensatory time hours before they will be provided overtime pay at the rate earned by the employee at the time the employee receives such payment. In addition, upon leaving the school division, an employee will be paid for any unused compensatory time at the rate of not less than the higher of

- (1) the average regular rate received by the employee during his/her last three years of employment, or
- (2) the final regular rate received by the employee.

Non-exempt employees whose workweek is less than 40 hours are paid at the regular rate of pay for time worked up to 40 hours. Such employees will be provided overtime pay or compensatory time as provided above for working more than 40 hours in a workweek.

Employees are provided with a copy of this policy and are required to sign this policy to acknowledge their understanding of overtime and compensatory time provisions. Such signed policy constitutes the written agreement required in this section.

Attendance Expectations

All employees are expected to be present during all work hours. Absence without prior approval, chronic absences, habitual tardiness or abuses of designated working hours are all considered neglect of duty and will result in disciplinary action up to and including dismissal.

Downloading any file attached to an electronic message is prohibited unless the user is certain of that message's authenticity and the nature of the file.

10. **Instructional Philosophies Related to the Acceptable Use and Internet Safety Policy.** Each school will provide students' integrated ongoing Internet safety instruction at all grade levels and subject areas. The school division will provide parents, guardians and community organizations that serve division students, selected materials and resources to facilitate Internet safety awareness, training, skill attainment and application of knowledge already learned. Mathews County Public Schools will guide student use of computer systems through the Acceptable Computer Use Policy (AUP) and other school and classroom specific policies, procedures and regulations. These policies will be provided to students and their parents or guardians each school year. Internet safety will be an integrated feature embedded in student instruction throughout the school year.

11. **Strategies Related to the Acceptable Use and Internet Safety Policy.** Ultimately, it is the individual computer system user that is responsible for their actions and what they access while using computer systems. Division schools use Federal and State compliant Internet filtering, security and email software on all computer systems in addition to updated virus, intrusion and spy-ware protection. Although these technological systems are intended to protect students and division data and information, no system is 100% effective. Monitoring and observation using non-technical means is just as important to Internet safety and data security and is the responsibility of all division employees.

All student and guest access computers screens are to be placed so that the employee supervising these computers can visually or electronically monitor activities. All office and staff computers screens are to be placed away from student and public view. When administrative, teacher or staff computers are left unattended they should be locked and the screen blanked out to prevent unauthorized access or viewing.

12. **Internet Safety and Security Instruction.** The Division will maintain an Internet Safety Resource Web page that includes current and diverse resources that can be used by the school board, administrators (central office and building), teachers, teacher assistants, counselors, instructional technology resource teachers, library media specialists, building resource officers, technology coordinator, students and community stakeholders. (Including but not limited to parents, caregivers, public library staff, after-school and off-campus program instructors and local law enforcement officials.) Online distance learning opportunities are available to division Administrators, Faculty, Staff and Students through the division's course management system.

10. **Instructional Philosophies Related to the Acceptable Use and Internet** personnel at all grade levels and subject areas. The division uses the I-Safe and NetSmartz curriculum which is structured by grade level or student age. The division will maintain or have access to certified instructors that can deliver Internet safety staff development instruction to all staff members on an annual ongoing basis. School level anti-bullying programs as well as relationships already established with local law enforcement programs through the School Resource Officers will include Internet safety components.

Mathews County Schools recognizes that computer system use is not limited to the school environment and as such Internet Safety and Security awareness and vigilance must be provided for school and after school use of computer systems.

The division will regularly organize, participate and promote Internet safety through PTA meetings, newsletters, consortiums and grant related materials and training, public television and radio programs, 4-H events, scout meetings, Rotary and other community organization events and meetings. Free Internet safety materials and media will be available in public spaces such as the school libraries and be given to students, parents and guardians on request.

13. **Review Process.** The Division Technology Steering Committee and each school level technology committee are responsible for reviewing the AUP policy, regulation and Internet safety program annually. Each building administrator will add Internet safety to their lesson plan and evaluation review of instructional personnel. Every two years, the Division Superintendent will file an updated Acceptable Use Policy with the State that has been approved by the Mathews County School Board.
14. **Enforcement.** Hardware and software is installed on the School Division's computer systems to monitor various activities that include but are not limited to filtering or blocking access to child pornography, obscenity and other activities as outlined in the Children's Internet Protection Act (CIPA) in addition to other Federal, State and Local policies and regulations. Manual monitoring of students, staff and other users of the division's computer systems by employees designated by the superintendent may be used to supplement automated monitoring. **Any violation of these regulations shall result in loss of computer system privileges and may also result in appropriate disciplinary action, as determined by Mathews County School Board policy, school policy, administrative policy or legal action.**

ACCESS TO EMPLOYEE SOCIAL MEDIA ACCOUNTS

The Mathews County School Board does not require current or prospective employees to disclose the username or password to the employee's personal social media accounts or to add an employee, supervisor or administrator to the list of contacts associated with the employee's personal social media account.

If the School Board or a School Board employee inadvertently receives an employee's username and password to, or other login information associated with, the employee's personal social media account through the use of an electronic device provided to the employee by the School Board or a program that monitors the School Board's network, the Board will not be liable for having the information but will not use the information to gain access to the employee's social media account.

This policy does not prohibit the School Board and its agents from viewing information about a current or prospective employee that is publicly available.

This policy does not prohibit the School Board from requesting an employee to disclose the employee's username and password for the purpose of accessing a personal social media account if the employee's social media account activity is reasonably believed to be relevant to a formal investigation or related proceeding by the Board of allegations of an employee's violation of federal, state or local laws or regulations or of the Board's written policies. If the Board exercises its rights under this paragraph, the employee's username and password will only be used for the purpose of the formal investigation or a related proceeding.

CHILD ABUSE AND NEGLECT REPORTING

Reporting Requirement

Every employee of the Mathews County School Board who, in his professional or official capacity, has reason to suspect that a child is an abused or neglected child, in compliance with the Code of Virginia § 63.2-1509 et seq. shall immediately report the matter to

- the local department of social services where the child resides or where the abuse or neglect is believed to have occurred;

Notice of Reporting Requirement

The School Board posts in each school a notice that

- any teacher or other person employed there who has reason to suspect that a child is an abused or neglected child, including any child who may be abandoned, is required to report such suspected cases of child abuse or neglect to local or state social services agencies or the person in charge of the relevant school or his designee; and
- all persons required to report cases of suspected child abuse or neglect are immune from civil or criminal liability or administrative penalty or sanction on account of such reports unless such person has acted in bad faith or with malicious purpose. Complaints of Abuse and Neglect

SCHOOL EMPLOYEE CONFLICT OF INTERESTS

A. Purpose

The State and Local Government Conflict of Interests Act (the Act), applies to public school employees and officials. The Act creates uniform standards of conduct for all public employees and officials. The Act also defines and prohibits inappropriate conflicts of interest and requires disclosure of economic interests in some circumstances. The purpose of this policy is to provide an introduction to the Act for employees. Additional information regarding the Act may be obtained from Policy BBFA Conflict of Interests and Disclosure of Economic Interests and from the Virginia Conflict of Interest and Ethics Advisory Council (the Ethics Council) which assists with compliance with the Act.

B. Compliance

School board employees are required to read and be familiar with the Act. The superintendent provides employees with information regarding how to access the Act and how to contact the Ethics Council.

The Act's provisions are complex and their application is fact-specific. A violation of the Act could result in civil or criminal penalties. Therefore, if an employee has any question whether an interest the employee has in a contract or transaction involving the school division is prohibited under the Act, the employee should contact the superintendent's office or the Ethics Council for assistance.

C. Areas of Regulation

The Act prohibits school employees from having a "personal interest," as that term is defined by the Act, in certain contracts and transactions that involve the division and from engaging in other specified conduct related to the schools. The prohibited personal interest also may be that of the school employee's immediate family (a spouse or any other person who resides in the same household as the employee and who is a dependent of the employee).

Under the Act, an employee may be considered to have a prohibited conflict arising from:

- a personal interest in a contract;
- a personal interest in a transaction;
- business opportunities tied to official acts;
- misuse of confidential information; or
- receipt or solicitation of certain gifts.

Examples of prohibited conduct include:

- soliciting or accepting money or other thing of value for services performed within the scope of the employee's official duties, except for the employee's compensation, expenses or other remuneration paid by the division;
- using for the employee's own economic benefit or that of another party, confidential information that the employee has acquired by reason of the employee's public position and which is not available to the public;
- accepting any money, loan, gift, favor, service or business or professional opportunity that reasonably tends to influence the employee in the performance of the employee's official duties;
- accepting any business or professional opportunity when the employee knows that there is a reasonable likelihood that the opportunity is being afforded to influence the employee in the performance of the employee's official duties;
- entering into contracts with the school division under certain circumstances;
- accepting a gift from a person who has interests that may be substantially affected by the performance of the employee's official duties under circumstances where the timing and nature of the gift would cause a reasonable person to question the employee's impartiality in the matter affecting the donor; and
- accepting gifts from sources on a basis so frequent as to raise an appearance of the use of the employee's position for private gain.

D. Awards to Employees for Exceptional Service

The Act does not prohibit or apply to the acceptance by a teacher or other employee of Mathews County School Board of an award or payment in honor of meritorious or exceptional services performed by the teacher or employee and made by an organization exempt from federal income taxation pursuant to the provisions of Section 501(c)(3) of the Internal Revenue Code.

E. Advisory Opinions

Employees may seek written opinions regarding application of the Act from the local Commonwealth's Attorney, the local county attorney or the Ethics Council. Good faith reliance on a written opinion of the Commonwealth's Attorney or a formal opinion or written informal advice of the Ethics Council made in response to a written request for such opinion or advice regardless of whether such opinion or advice is later withdrawn, provided that the alleged violation occurred prior to the withdrawal of the opinion or advice, bars prosecution for a knowing violation of the Act provided the opinion or advice was made after a full disclosure of the facts. If the employee relies on written informal advice given by the Ethics Council in a prosecution for a knowing violation of the Act, the record of the request and the written informal advice given shall be a public record and released upon request. An opinion of the local county attorney may be introduced at trial as evidence that the employee did not knowingly violate the Act.

EQUAL EMPLOYMENT OPPORTUNITY/ NONDISCRIMINATION

I. Policy Statement

The Mathews County School Board is an equal opportunity employer, committed to nondiscrimination in recruitment, selection, hiring, pay, promotion, retention or other personnel actions affecting employees or candidates for employment. Therefore, discrimination in employment against any person on the basis of race, color, religion, national origin, ancestry, political affiliation, sex, gender, gender identity, age, marital status, genetic information or disability is prohibited. Personnel decisions are based on merit and the ability to perform the essential functions of the job, with or without reasonable accommodation.

The Mathews County School Board provides facilities, programs and activities that are accessible, usable and available to qualified disabled persons. Further, the Mathews County School Board does not discriminate against qualified disabled persons in the provision of health, welfare and other social services.

The statement, "Mathews County School Board is an equal opportunity employer," is placed on all employment application forms.

II. Notice of Policy/Prevention

This policy is (1) posted in prominent areas of each school division building, (2) included in employee handbooks and (3) provided to any employee or candidate for employment upon request. Training to prevent prohibited discrimination is included in employee in-service training.

III. Complaint Procedure

A. File Report

Any person who believes he has not received equal employment opportunities should report the alleged discrimination to one of the Compliance Officers designated in this policy. The alleged discrimination should be reported as soon as possible, and the report generally should be made within fifteen (15) school days of the occurrence. Any employee who has knowledge of conduct which may constitute prohibited discrimination shall immediately report such conduct to one of the Compliance Officers designated in this policy.

The reporting party should use the form, Report of Discrimination, GB-F, to make complaints of discrimination. However, oral reports and other written reports will also be accepted. The complaint must be filed with one of the Compliance Officers designated in this policy. Any complaint that involves the Compliance Officer shall be reported to the superintendent.

The complaint and the identity of the complainant and the person or persons allegedly responsible for the discrimination will be disclosed only to the extent necessary to fully investigate the complaint and only when such disclosure is required or permitted by law. A complainant who wishes to remain anonymous will be advised that anonymity may limit the school division's ability to fully respond to the complaint.

B. Investigation

Upon receipt of a report of alleged discrimination, the Compliance Officer shall immediately authorize or undertake an investigation. The investigation may be conducted by school personnel or a third party designated by the school division. The investigation shall be completed as soon as practicable, which generally should be not later than 14 school days after receipt of the report by the Compliance Officer. Upon receiving the complaint, the Compliance Officer will acknowledge receipt of the complaint by giving written notice that the complaint has been received to both the complainant and the superintendent. If the Compliance Officer determines that more than 14 school days will be required to investigate the complaint, the complainant and the superintendent will be notified of the reason for the extended investigation and the date by which the investigation will be concluded.

The investigation may consist of personal interviews with the complainant, the person(s) alleged to have violated the policy and any others who may have knowledge of the alleged discrimination or the circumstances giving rise to the complaint. The investigation will consider witnesses and evidence from both the complainant and the person(s) responsible for the alleged discrimination. The investigation may also include the inspection of any documents or information deemed relevant by the investigator. The school division shall take necessary steps to protect the complainant and others pending the investigation.

Whether a particular action or incident constitutes a violation of this policy requires a case by case determination based on all of the facts and circumstances revealed by a complete and thorough investigation.

The Compliance Officer shall issue a written report to the superintendent upon completion of the investigation. If the complaint alleges the superintendent has violated this policy, then the report shall be sent to the School Board. The report shall include a determination of whether the allegations are substantiated, whether this policy was violated and recommendations for corrective action, if any.

All employees shall cooperate with any investigation of alleged discrimination conducted under this policy or by an appropriate state or federal agency.

C. Action by Superintendent

Within 5 school days of receiving the Compliance Officer's report, the superintendent or superintendent's designee shall issue a written decision regarding (1) whether this policy was violated and (2) what action, if any, should be taken.

If the complaint alleges that the superintendent has violated this policy, the School Board's standing Equal Employment Opportunity/Nondiscrimination Committee shall make the decision and determine what action should be taken. If the School Board does not have such a standing committee, at its next scheduled meeting it shall appoint a committee consisting of three of its members to handle the matter. The committee shall issue a written decision within 14 calendar days of the time the School Board receives the Compliance Officer's report or the time a committee is appointed, if there is no standing committee. The written decision shall state (1) whether this policy was violated and (2) what action, if any, should be taken.

The written decision must be mailed to or personally delivered to the complainant within 5 calendar days of the issuance of the decision. If the superintendent, superintendent's designee or committee concludes that prohibited discrimination occurred, the Mathews County School Division shall take prompt, appropriate action to address and remedy the violation as well as prevent any recurrence. Such action may include discipline up to and including dismissal.

D. Appeal

If the superintendent, superintendent's designee or committee determines that no prohibited discrimination occurred, the person who was allegedly subjected to discrimination may appeal this finding to the School Board within 5 school days of receiving the decision. Notice of appeal must be filed with the superintendent, or with a member of the committee which issued the written decision, who shall forward the record to the School Board. The School Board shall make a decision within 30 calendar days of receiving the record. The School Board may ask for oral or written argument from the aggrieved party and the superintendent, superintendent's designee or the committee, whichever issued the written decision, and any other individual the School Board deems relevant. Written notice of the School Board's decision will be given to the complainant.

Employees may choose to pursue their complaints arising under this policy through the relevant employee grievance procedure instead of the complaint procedure in this policy.

E. Compliance Officer and Alternate Compliance Officer

The Mathews County School Board has designated Lesley R. Hunley, Assistant Superintendent, Mathews County School Board Office, P. O. Box 369, Mathews, VA 23109, lhunley@mathews.k12.va.us 804-725-3909 as the Compliance Officer responsible for identifying, investigating, preventing and remedying prohibited discrimination. - arrange necessary training to achieve compliance with this policy; and
- ensure that any discrimination investigation is conducted by an impartial investigator who is trained in the requirements of equal employment opportunity and has the authority to protect the alleged victim and others during the investigation.

IV. Retaliation

Retaliation against employees who report discrimination or participate in the related proceedings is prohibited. The school division shall take appropriate action against any employee who retaliates against another employee or candidate for employment who reports alleged discrimination or participates in related proceedings. The Compliance Officer will inform persons who make complaints, who are the subject of complaints and who participate in investigations of how to report any subsequent problems.

V. Right to Alternative Complaint Procedure

Nothing in this policy shall deny the right of any individual to pursue other avenues of recourse to address concerns relating to prohibited discrimination including initiating civil action, filing a complaint with outside agencies or seeking redress under state or federal law.

VI. Prevention and Notice of Policy

Training to prevent discrimination is included in employee orientations and in-service training.

This policy is (1) displayed in prominent areas of each division building in a location accessible to school personnel and (2) included in employee handbooks. All

employees are notified annually of the names and contact information of the Compliance Officers.

VII. False Charges

III. Complaint Procedure

A. Formal Procedure

1. File Report

Any student or school personnel who believes he or she has been the victim of harassment prohibited by law or by this policy by a student, school personnel or a third party should report the alleged harassment to one of the Compliance Officers designated in this policy or to any school personnel. The alleged harassment should be reported as soon as possible, and the report generally should be made within fifteen (15) school days of the occurrence. Further, any student who has knowledge of conduct which may constitute prohibited harassment should report such conduct to one of the Compliance Officers designated in this policy or to any school personnel. Any school personnel who has notice that a student or other school personnel may have been a victim of prohibited harassment shall immediately report the alleged harassment to one of the Compliance Officers designated in this policy.

The reporting party should use the form, Report of Harassment, GBA-F/JFHA-F, to make complaints of harassment. However, oral reports and other written reports are also accepted. The complaint should be filed with either the building principal or one of the Compliance Officers designated in this policy. The principal shall immediately forward any report of alleged prohibited harassment to the Compliance Officer. Any complaint that involves the Compliance Officer or principal shall be reported to the superintendent.

The complaint, and identity of the complainant and alleged harasser, will be disclosed only to the extent necessary to fully investigate the complaint and only when such disclosure is required or permitted by law. Additionally, a complainant who wishes to remain anonymous shall be advised that such confidentiality may limit the School Division's ability to fully respond to the complaint.

2. Investigation

Upon receipt of a report of alleged prohibited harassment, the Compliance Officer shall immediately authorize or undertake an investigation. The investigation may be conducted by school personnel or a third party designated by the school division. The investigation shall be completed as soon as practicable, which generally should be not later than 14 school days after receipt of the report by the Compliance Officer. Upon receiving the complaint, the Compliance Officer shall acknowledge receipt of the complaint by giving written notice that the complaint has been received to both the person complaining of harassment and the person accused of harassment. Also upon receiving the complaint, the Compliance Officer shall determine whether interim measures should be taken pending the outcome of the investigation. Such interim measures may include, but are not limited to, separating the alleged harasser and the complainant and, in cases involving potential criminal conduct, determining whether law enforcement officials should be notified. If the Compliance Officer determines that more than 14 school days will be required to investigate the complaint, the complainant and the accused shall be notified of the reason for the extended investigation and of the date by which the investigation will be concluded. If the alleged harassment may also constitute child abuse, then it must be reported to the Department of Social Service in accordance with Policy JHG, Child Abuse and Neglect Reporting.

The investigation may consist of personal interviews with the complainant, the alleged harasser and any others who may have knowledge of the alleged harassment or the circumstances giving rise to the complaint. The investigation will consider witnesses and evidence from both the alleged harasser and the person allegedly harassed. The investigation may also consist of the inspection of any other documents or information deemed relevant by the investigator. The school division shall take necessary steps to protect the complainant and others pending the completion of the investigation.

In determining whether alleged conduct constitutes a violation of this policy, the division shall consider, at a minimum: (1) the surrounding circumstances; (2) the nature of the behavior; (3) past incidents or past or continuing patterns of behavior; (4) the relationship between the parties; (5) how often the

conduct occurred; (6) the identity of the alleged perpetrator in relation to the alleged victim (i.e. whether the alleged perpetrator was in a position of power over the alleged victim); (7) the location of the alleged harassment; (8) the ages of the parties and (9) the context in which the alleged incidents occurred. Whether a particular action or incident constitutes a violation of this policy requires a case by case determination based on all of the facts and circumstances revealed after a complete and thorough investigation.

The Compliance Officer shall issue a written report to the superintendent upon completion of the investigation. If the complaint involves the superintendent, then the report shall be sent to the School Board. The report shall include a determination of whether the allegations are substantiated, whether this policy was violated and recommendations for corrective action, if any.

All employees shall cooperate with any investigation of alleged harassment conducted under this policy or by an appropriate state or federal agency.

3. Action by Superintendent

Within 5 school days of receiving the Compliance Officer's report, the superintendent or designee shall issue a decision regarding whether this policy was violated. This decision must be provided in writing to the complainant and the alleged perpetrator. If the superintendent or superintendent's designee determines that it is more likely than not that prohibited harassment occurred, the Mathews County School Division shall take prompt, appropriate action to address and remedy the violation as well as prevent any recurrence. Such action may include discipline up to and including expulsion or discharge. Whether or not the superintendent or superintendent's designee determines that prohibited harassment occurred, the superintendent or superintendent's designee may determine that school-wide or division-wide training be conducted or that the complainant receives counseling.

4. Appeal

If the superintendent or superintendent's designee determines that no prohibited harassment occurred, the employee or student who was allegedly subjected to harassment may appeal this finding to the School Board within 5 school days of receiving the decision. Notice of appeal must be filed with the superintendent who shall forward the record to the School Board. The School Board shall make a decision within 30 calendar days of receiving the record. The School Board may ask for oral or written argument from the aggrieved party, the superintendent and any other individual the School Board deems relevant. Written notice of the School Board's decision will be given to both the alleged harasser and the person allegedly harassed.

If the superintendent or superintendent's designee determines that prohibited harassment occurred and discipline is imposed, the disciplined person may appeal the disciplinary sanction in the same manner as any other such sanction would be appealed.

Employees may choose to pursue their complaints under this policy through the relevant employee grievance procedure instead of the complaint procedure in this policy.

5. Compliance Officer and Alternate Compliance Officer

The BLANK School Board has designated
