Dissemination and Maintenance of Records About Court Proceedings

Adjudications

The superintendent shall disseminate the notice or information regarding an adjudication of delinquency or conviction for an offense listed in Va. Code § 16.1-260.G. contained in a notice received pursuant to § 16.1-305.1 of the Code of Virginia, 1950, as amended, to school personnel responsible for the management of student records and to other relevant school personnel, including, but not limited to, the principal of the school in which the student is enrolled. The principal shall further disseminate such information to licensed instructional personnel and other school personnel who (1) provide direct educational and support services to the student and (2) have a legitimate educational interest in such information.

A parent, and, with consent of a parent or in compliance with a court order, the court in which the disposition was rendered, shall be notified in writing of any disciplinary action taken with regard to any incident upon which the adjudication of delinquency or conviction for an offense listed in subsection G of Va. Code § 16.1-260 was based and the reasons therefor. The parent shall also be notified of his or her right to review, and to request an amendment of, the student's scholastic record.

Every notice of adjudication of delinquency or conviction for an offense listed in subsection G of Va. Code § 16.1-260 received by a superintendent, and information contained in the notice, which is not a disciplinary record as defined in Board of Education regulations, shall be maintained by him and by any others to whom he disseminates it, separately from all other records concerning the student. However, if the school administrators or the school board takes disciplinary action against a student based upon an incident which formed the basis for the adjudication of delinquency or conviction for an offense listed in subsection G of Va. Code § 16.1-260, the notice shall become a part of the student's disciplinary record.

Petitions

The superintendent shall not disclose information contained in or derived from a notice of petition received pursuant to Va. Code § 16.1-260 except as follows:

- if the juvenile is not enrolled as a student in a public school in the division to which the notice was given, the superintendent shall promptly so notify the intake officer of the juvenile court in which the petition was filed and may forward the notice of petition to the superintendent of the division in which the juvenile is enrolled, if known;
- prior to receipt of the notice of disposition, the superintendent may disclose the fact of the filing of the petition and the nature of the offense to the principal of the school in which the student is enrolled if the division superintendent believes that disclosure to school personnel is necessary to ensure the physical safety of the student, other students or school personnel within the division; and

- after the student has been taken into custody, whether or not the student has been released, the principal may further disseminate the information only to those students and school personnel having direct contact with the student and need of the information to ensure physical safety, appropriate educational placement or other educational services.

Annual Notification

The school division shall annually notify parents and eligible students of their rights under the Family Educational Rights and Privacy Act (FERPA) including

- the right to inspect and review the student's educational records and the procedure for exercising this right;
- the right to request amendment of the student's educational records that the parent believes to be inaccurate, misleading or in violation of the student's privacy rights and the procedure for exercising this right;
- the right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent;
- the type of information designated as directory information and the right to opt out of release of directory information;
- that the school division releases records to other institutions that have requested the information and in which the students seeks or intends to enroll or is already enrolled so long as the disclosure is for purposes related to the student's enrollment or transfer;
- the right to opt out of releasing the student's name, address, and phone number to military recruiters or institutions of higher education that request such information;
- a specification of the criteria for determining who constitutes a school official and what constitutes a legitimate educational interest; and
- the right to file complaints with the Family Policy Compliance Office in the United States Department of Education concerning the school division's alleged failure to comply with FERPA.

Procedure to Inspect Education Records

Parents of students or eligible students may inspect and review the student's education records within a reasonable period of time, which shall not exceed 45 days, and before any meeting regarding an IEP or hearing involving a student with a disability. Further, parents shall have the right to a response from the school division to reasonable requests for explanations and interpretations of the education record.

Parents or eligible students should submit to the student's school principal a written request which identifies as precisely as possible the record or records he or she wishes to inspect.

The principal (or appropriate school official) will make the needed arrangements for access as promptly as possible and notify the parent or eligible student of the time and place where the records may be inspected.

When a record contains information about students other than a parent's child or the eligible student, the parent or eligible student may not inspect and review the portion of the record which pertains to other students.

Copies of Education Records

Mathews County Public Schools will not provide a parent or eligible student a copy of the student's education record unless failure to do so would effectively prevent the parent or eligible student from exercising the right to inspect and review the records.

Fees for Copies of Records

The fee for copies will be .10 per page. The actual cost of copying time and postage will be charged. Mathews County Public Schools shall not charge for search and retrieval of the records. Mathews County Public Schools shall not charge a fee for copying an Individualized Education Plan (IEP) or for a copy of the verbatim record of a hearing conducted in accordance with the State Board of Education's Regulations Governing Special Education Programs for Children with Disabilities in Virginia.

The school division will use reasonable methods to identify and authenticate the identity of parents, students, school officials, and any other parties to whom it discloses personally identifiable information from education records.

Military Recruiters and Institutions of Higher Learning

Mathews County Public Schools will provide, on request made by military recruiters or an institution of higher education, access to secondary school students' names, addresses, and telephone listings.

A secondary school student or the parent of the student may request that the student's name, address, and telephone listing not be released without prior written parental consent. The school division will notify parents of the option to make a request and will comply with any request.

The school division will provide military recruiters the same access to secondary school students as is provided generally to post-secondary educational institutions or to prospective employers of those students.

Record of Disclosure

Mathews County Public Schools shall maintain a record, kept with the education records of each student, indicating all individuals (except school officials who have a legitimate educational interest in the records), agencies, or organizations which request or obtain access to a student's

education records. The record will indicate specifically the legitimate interest the party had in obtaining the information. The record of access will be available only to parents, to the school official and his assistants who are responsible for the custody of such records, and to persons or organizations which audit the operation of the system.

The requirements related to records of disclosure stated above do not apply to disclosures made pursuant to an ex parte order issued by a court at the request of the United States Attorney General (or any Federal officer or employee, in a position not lower than an Assistant Attorney General, designated by the Attorney General) seeking to collect education records relevant to an authorized investigation or prosecution of international terrorism as defined in 18 U.S.C. § 2331 or other acts listed in 18 U.S.C. § 2332b(g)(5)(B).

Personal information will only be transferred to a third party on the condition that such party will not permit any other party to have access to such information without the written consent of the parents of the student. If a third party permits access to information, or fails to destroy information, the division will not permit access to information from education records to that third party for a period of at least five years.

Directory Information

Mathews County Public Schools shall notify parents and eligible students at the beginning of each school year what information, if any, Mathews County school division has designated as directory information, the right to refuse to let the division designate any or all of such information as directory information, and the period of time to notify the division, in writing, that he or she does not want any or all of those types of information designated as directory information.

Directory information may not include the student's social security number.)

Correction of Education Records

The procedures for the amendment of records that a parent or eligible student believes to be inaccurate are as follows.

1. Parents or the eligible student must request in writing that the Mathews County Public Schools amend a record. In so doing, they should identify the part of the record they want changed and specify why they believe it is inaccurate, misleading or in violation of the student's privacy or other rights.

2. Mathews County Public Schools shall decide whether to amend the record in accordance with the request within a reasonable period of time. If it decides not to comply, the school division shall notify the parents or eligible student of the decision and advise them of their right to a hearing to challenge the information believed to be inaccurate, misleading, or in violation of the student's rights.
3. Upon request, Mathews County Public Schools shall arrange for a hearing, and notify the parents or eligible student, reasonably in advance, of the date, place, and time of the hearing. The hearing shall be held within a reasonable period of time after the request.
4. The parent or eligible student may, at his or her own expense, be assisted or represented by one or more individuals of his or her own choice, including an attorney.
5. The hearing shall be conducted by a hearing officer who is a disinterested party; however, the hearing officer may be an official of the school division. The parents or eligible student shall be afforded a full and fair opportunity to present evidence relevant to the issues raised in the original request to amend the student's education records in accordance with FERPA.
6. Mathews County Public Schools shall prepare a written decision which will include a summary of the evidence presented and the reasons for the decision within a reasonable period of time after the hearing. The decision will be based solely on the evidence presented at the hearing.
7. If Mathews County Public Schools decides that the information is inaccurate, misleading, or in violation of the student's right of privacy, it shall amend (including expungement) the record and notify the parents or eligible student, in writing, that the record has been amended.
8. If Mathews County Public Schools decides that the challenged information is not inaccurate, misleading, or in violation of the student's right of privacy, it will notify the parents or eligible student that they have a right to place in the record a statement commenting on the challenged information and/or a statement setting forth reasons for disagreeing with the decision. The statement will be maintained as part of the student's education records as long as the contested portion is maintained and disclosed whenever the school division discloses the portion of the record to which the statement relates.

Confidentiality of HIV and Drug and Alcohol Treatment Records

The Mathews County Public Schools shall comply with the confidentiality requirements of Section 32.1-36.1 of the Code of Virginia, 1950, as amended, providing for the confidentiality of records related to any test for Human Immunodeficiency Virus (HIV). In addition, the school division shall maintain confidentiality of drug and alcohol treatment records as required by federal and state law.
